Wilhelm- Winter Sept 24, 18---, Dec.28, 1896? read from photo (bb) (This may be Wilhelmina, wife of Frederick)

Frederick Winter June 18, 1811-Sept 24, 1867? read from photo

Laura said "It has 4 graves for sure, possibly 5. There is the one tall stone with writing on two of the 4 sides. You can read them pretty well, except I can't make out the birth year for Wilhelm. Besides the tall stone there are two small markers (like bricks and there isn't anything on them except initials) and then there is large flat stone on the ground. I couldn't make out any name or year."
