"Journal of the Missouri State Medical Association"  
 by: Missouri State Medical Association  
 Issues: January 1904 - December 2000 [Archived]  
[Link to all of the Issues](#)

In an effort to make this interesting set of Medical Journals  
 available for Missouri Genealogical and Historical Researchers, I am  
 trying to figure out how the Content is structured and what might be  
 the best way of presentation.

There are 97 issues on the Archive.org Site. All of which can be viewed, searched and  
 downloaded.

Volumes 1-49 (June 1904-1952) of the Journal of the Missouri State Medical  
 Association

and

50-97 (1953-2000) of Missouri Medicine are available online.

The best way to inspect the Content is to take a look at an Index.

Here are the Index pages for the 1904 Issue:

<https://archive.org/details/journal1190miss/page/718/mode/2up>

Genealogical Research always includes the search for both Biographies and  
 Obituaries.

Fortunately for us, these Journals have both!

But... over the years, the Editors change the way they are listed.  
The first 5 or 6 years have Obituaries listed on Page Numbers, no names in the Index.

About 1908 or 1909, They began listing Obits by Name in the Index, Like This:  
<https://archive.org/details/journal6190miss/page/827/mode/1up>

A generic Search: 'Obituary' will bring up Items  
<https://ia903108.us.archive.org/17/items/journal1719miss/journal1719miss.pdf>

A generic Search: 'Deceased' will bring up Items  
<https://ia903108.us.archive.org/17/items/journal1719miss/journal1719miss.pdf>

Individual Searches for Names will always work.  
"Jones", for Instance [Without the Quotes  
<https://ia903108.us.archive.org/17/items/journal1719miss/journal1719miss.pdf>

In the later years, the Medical Journals did not contain many full Obituaries,  
instead they included what I call "Embellished Death Notices" under the heading "In  
Memoriam":

Like This  
Barbara Spies, MD, 73,  
Louisburg, KS, died November 9, 1996. Dr. Spies graduated from the University of  
Kansas Medical  
School in 1952, interned at Menorah Hospital, practiced in Kansas. From 1978 until  
she  
retired in June of 1987, she practiced in Louisburg.

The Missouri Journals also have Membership Information, County Rosters, Changes of  
Address  
and "News Items" which are always interesting.

Using the [Tutorial](#) I have written will give you an idea on how to use the  
valuable files on the Archive Site.
