In Sept. of 1850 R.T. (Rukehill Tyler) **HAMPTON** (16) and W.G. **HAMPTON** (17) were living in Warren Co. with George and Nancy **BLEAR** (38, 39) and their 3 young children. Also in the household was Susan **MILLS**, 19. All except the children were born in Virginia. Was there a family relationship between the Blears and the Hamptons? Was Nancy their mother/sister/aunt? In 1860 R.T was living in Loutre Twp., Montgomery Co. with his wife, Elizabeth **QUICK** and there three children. W.G. was living with James Hampton, born VA c1808 and a probable sister, Mary. Is this their father? Where was he in 1850? Anyone researching any of these lines? R.T. died in Loutre Twp. in 1897.

I am searching for information about three families. Hugh Rilen **OWENS** was born December 24, 1852, in Harrisonville, MO. He married Laura Jane **JOHNSON** (b. He was the son of Oliver H.P. **OWEN(S)??** and Naomi **FULTON** (married February 23, 1851 in Warren County, MO) Laura was the daughter of Abraham J. **JOHNSON** and Zilpha Caroline **SMITH**. Hugh and Laura moved to Kansas where they had a family and died.

Abraham J. Johnson was born in 1823 in North Carolina. He married Zilpha who was born in 1827 in Tennessee. They moved across the country - children born in Tennessee and Illinois. Name: [Michael Davis](#)

I have relatives that go back six generations in Warren Co. I am primarily interested in the Surname of **DAVIS** and **EDDENS** (also spelled Edens, Eddins, Eddings). I have a pretty extensive set of information from when the Davis' arrived in Warren Co in July of 1833.

Jarrett Davis moved to an area that is now Foristell and had 8 children with his wife Nancy **Welch**. Jarrett is my 3rdGG. His son, George Clark is my GG Grandfather. I am looking for descendants of Jarrett's siblings that I might not have. (One of Jarrett's son's was Larkin Davis, a prominent Judge in the area). I have been trying to find more information on Jarrett and his father; (I believe to be William Davis). I have only very recently (last four weeks) had a couple of clues (that I am still tracking down), but have been researching the Davis line for about 20 years for this information. Jarrett and 2 of his brothers married into the Eddens family. There is also another Davis that married one of the Eddens sisters, but I can not determine his origins. I have about 4 generations of Eddens, but am always looking for more.

I am hoping that someone has researched the Davis line or Eddens line and can go back further than what I have (via a different route). I am willing to share this information with others than might be able to help me.

Name: [Dan Devaney](#)

We are trying to locate any data on Anna **BERGSIEKER**. She was born in St. Charles, Missouri, 1 August 1851. Both of her parents were from Germany.

She married August Bloom of Blackjack, North St. Louis County Missouri and died 18 April 1918 in Blackjack, Missouri. Anna and August lived for years in Spanish Lake, Missouri. She is buried at The Salem Evan. Lutheran Cemetery in Blackjack. This information is taken from her certificate of death.

Family history has it that Anna came from Warrenton, Missouri.

We also have it that this was Anna's second marriage, the first being to George Burke, a carpenter. Anna and George had one child Louisa Burke Fevert.

After George died, Anna became the house keeper for August Bloom and then married him. We think that this marriage was the first for August Bloom who may have married second and Emma Graf. Of course, this is passed-down family history and may be mixed up a bit.

In 1850, R.T. (Rukehill Tyler) and W.G. (William) **HAMPTON**, ages 16 and 17, appear in Warren County in the household of George W. **BLEAR** and his wife Nancy, 38 and 39, with their three children (all under 10), and another woman, 19-year-old Susan S. **WILLS/MILLS**. Everyone in the household was born in Virginia.

Tyler (as he was known) is my husband's 4grandfather. This is the first record that I have found of him or W.G. In 1860, Tyler is living in Loutre Twp., Montgomery County, with his wife Elizabeth (**QUICK**), 3 children, and a man named James Stephenson. He died in Loutre Twp. in 1897.

In 1860, W.G. is also living in Loutre Twp., with James M. **HAMPTON**, 52, and Mary J., 28. James was born in Virginia, Mary in Missouri. W.G. did marry and had 5 children listed in his 1894 will. The Montgomery Co atlas states his birthplace as Pittsylvania Co., VA, and that he went to MO in 1833 (that's most likely his birth year). To date, Pittsylvania Co. has proved another dead end.

Does anyone recognize any of these people? I have a whole bunch of questions I am quickly going nowhere with:

Who are the Blears?

Are they related to the Hamptons?

Is Nancy possibly their mother, aunt, or sister?

Did the boys come with them to MO, or were they field hands or something along those lines?

When did W.G. and R.T. make the trip to MO?

Did they come straight from VA?

Where is James in 1850? Mary?

If Mary was born in MO in 1838 or so, where is James in 1840? I've been assuming that James is their father--could he actually be an uncle? Or even a brother or half-brother?

If anyone has any suggestions for further searching in Warren Co., I'd like to hear them. My Missouri research has all been in Montgomery.

I am interested in the **TUPKER/TUEPKER** family name....specifically Gerhard TUPKER Sr., born approx 1797 -Germany, and his first wife, Mina GAUSMANN Tupker and their children, Herman Heinrich, Adolph, Johann Heinrich, Catharine Louisa, George William, and Johann Friedrick. Mina was Gerhard's first wife back in Germany. He and the children came over to America with his second wife, Catharine Margaretha DICKMANN TUPKER about 1837. They had together the following children: Sophia, Johann Heinrich (died as an infant), Gerhard Heinrich Jr., Lewis ? (Adolf/Ludwig), Eliza and Bernhard. George William, born approx 1825, was my husband's great great grandfather. We are looking for other descendents of Gerhard Tupker Sr., either from his first or second family. Gerhard Sr. owned a farm in Warren Co, and was a member of the Femme Osage Church of St. Charles Co. All the children from his second family except Sophia were christened there.

Also seeking confirmation that Gerhard Sr. and a Jurgen Heinrich Tupker (married to Elizabeth Gausmann) also of Warren Co, were brothers???  
Were Elizabeth and Mina Gausmann sisters????

Some of the first family group of children may have removed to St. Louis as they came of age, possibly to be near the family of their mother. We have evidence to indicate this.

Any information about these families would be welcome. I have information I am willing to share also.

Trying to find info on family of Ace CULLOM, who lived near Case, Warren County, MO. in late 1800s and 1900s. My father, deceased over 30 yrs, often mention a cousin named Ace CULLOM from Case, MO. When I was in Warren & Montgomery Counties a few years ago, I found Ace Cullom Road off of Hiway 94 about a mile or so east of the former town of Case. Trying to find out in what way Ace CULLOM and his

family were related to my DAVID, SMITH, KRATTLI, LUPPOLD families. Thanx in advance. Will share any info I have in return.

I'm searching for ancestors and decendants information on my great great grandfather Benjanin **MOSS** or his family. The August 1860 censes shows him living in Pinkeny township in Warren County. He was born in New Jersey about 1798, along with his oldest son Peter B. in 1839. The other children was Daniel Boone MOSS born February 1845, Mary Anna born February 1846, Roseanna born about 1849 and think she married a Wilson, July A. born about 1851, George born about 1854, and William born about 1858, all born in Missouri. He came to Missouri before 1845 because Daniel was born in Missouri at that time. His son Peter married Mary Ellen Bailey in Jan. 1858. Benjanin ran a ferry across the Missouri river some place around Hermann. I have alot of information on this family but could help getting something on his ancestors. Any assistance you may provide would very much appreciated. And I would gladly share any and all information that I have.

**Date:** 02 Sep 1998

My great-grandfather was Heinrich "Henry" August STRUCHTEMEYER, b. 27 Jul 1854, m. Dena Elizabeth WIRTZ, dau. of Heinrich "Henry" and Johanna (unknown surname) WIRTZ on 16 Feb. 1875 in Warren Co., MO. They had 5 children; some remained in Warren County, and the others went to Howard County, MO.

I am searching for information about Henry's father (Heinrich August?) and mother. Henry (b. 1854) had a half-sister, Wilhelmine "Minnie" Caroline, b. 28 Feb. 1849, who married William ANDEHUBER in Nov 1873, and later married Frederick JAEGER in Oct. 1883. According to her obituary (d. 1915), her mother (\_\_\_\_\_) died shortly after her birth, and she was taken to Warren County. He later married Elizabeth \_\_\_\_\_, and my Henry was born in 1854.

I think there was another Struchtemeyer family in Warren County about the same time -- how were they related?? Where in Germany did they emigrate from, etc.? Any information will be appreciated, and I will exchange information about the later generations with anyone interested. Am also interested in finding out more about the WIRTZ family. Thanks, Joyce Walker
